Chronological Daily Bible Reading Schedule

The chronological Daily Bible Reading is a reading plan which is unlike any of the usual Daily Bible Reading Plans. This plan will allow you to read the Bible in the order in which the reported events took place. The poetic and prophetic books of the Old Testament are inserted in the historical books at the point in the narrative where they are thought to have been written. Job is inserted within Genesis since evidence points to Job being a contemporary with Abraham. In the same manner, the Epistles of the New Testament are inserted in the narrative of the book of Acts as they are thought to have been written.

The number of chapters you will read each day depends on the length of each chapter, so that your reading time may be fairly constant from one day to another.
